The **Annals of African Medical Research** (AAMR) is a multidisciplinary medical journal published by the College of Medical Sciences, Abubakar Tafawa Balewa University Bauchi Nigeria.

AAMR is an open access, peer-reviewed international journal that provides a wealth of high-impact African medical research outputs and beyond. The mission of AAMR is to be the frontrunner in closing the gap between African medical research publication and the global scientific community, with an experienced editorial team and an international advisory board comprised of scholars from Africa, Asia, the Middle East, the United States, Europe, and the United Kingdom.

OPEN  
ACCESS
